

STAT 11/15/63

2 December 1963

MEMORANDUM FOR: Assistant General Counsel,

STAT

SUBJECT: Malpractice Policy

I discussed with the Executive Director the situation on the malpractice policy of concern to OSA. He agreed that  would be the best vehicle for providing proper coverage to preserve security, recognizing the possible contingent liability on the Agency in the event of a large claim. I believe, therefore, we can proceed with writing the policy in the manner we discussed last week.

LAWRENCE R. HOUSTON  
General Counsel
